ATTIRE & FOOTWEAR

At ClubSport, we strive to create an environment that is upscale and visually pleasing, yet comfortable and safe for all. We ask all members and guests to use their best judgment in their choices of attire for the public areas of the club and hotel, and we ask that you consider safety and performance issues in your choices of athletic gear and footwear for sports participation. Here are our basic attire and footwear standards:

- Shirts and shoes are required at all times in all areas except the locker rooms and outdoor aquatics center.
- Always wear closed-toe athletic shoes in the fitness center, The Edge Performance Training Center, and when participating in any sport or group exercise class. If participating in an exercise class such as yoga, which is performed barefoot, wear shoes to and from the studio.
- On the racquetball, squash, pickleball, volleyball, and basketball courts, wear shoes designed for court play, with non-marking soles.
- Exercise attire should not be overly revealing, and fabrics or accessories should not cause damage to the upholstery on fitness equipment.
- Swimwear is appropriate only in the aquatics center and locker rooms.

[\(back to the top\)](#)

CLUB SERVICE DESK

The Club Service Desk is the “hub” of ClubSport. We ask that everyone entering the club check-in with the Service Desk receptionist. Service Desk personnel are there for your convenience – whatever assistance or information you need, they can help or point you in the right direction.

- Membership cards are not transferable and may not be loaned.
- If a membership card is lost, we will gladly replace it at a nominal fee.
- For your convenience, guest registration and guest fees are handled at the Club Service Desk.

CHILDREN & TEENS/TEENFIT

Our facility appeals to families as well as adults without children. Parents should advise their children and teens on appropriate behavior and supervise them (where required) while visiting the club. This is particularly important in the fitness center, The Edge Performance Training Center, restaurant, swimming pools, splash park, and locker rooms. The following policies are designed for the overall safety of children and teens while in the club.

Children (Ages 12 and Under):

Children ages 12 and under must be accompanied and directly supervised by a parent or adult guardian at all times while in the club, except when:

- Registered in Kids World (parent must remain on-premises); or
- Enrolled in a club-sponsored and supervised program, such as a camp, clinic, class, special event, or birthday party (parent must remain on-premises while the child attends birthday party).

Children may not enter the Fitness Center, The Edge Performance Training Center, Group Fitness Studios, or the Men's/Women's Locker Rooms. Parents with children under the age of 12 must use the Family Locker Room.

Children must be enrolled on a membership to enter the club or use any club facility (pool, gymnasium, racquetball courts, etc.) or a guest fee must be paid.

Teens/TeenFit (Ages 12 to 17):

Once TeenFit Certified, group fitness classes are open to young members ages 12-14 when accompanied by a parent or adult guardian. TeenFit Certifications also grant teen members ages 12 to 17 complete access to the ClubSport facility and aquatics center without being accompanied or

directly supervised as long as:

- The club has on file a Teen Results Program Registration Waiver signed by a parent;
- The teen member has completed the club's TeenFit Certification; and
- The teen member follows all club policies and conducts himself or herself appropriately.

Teens must be enrolled on a membership to use any club facility, or a guest fee must be paid. Teens may purchase an Individual membership at ClubSport, with a parent's signature of approval and agreement to pay all dues and fees.

Dependent:

"Children" are defined as immediate family members residing at the "main" member's address. Resort memberships allow "children" through the age of 29. All other membership levels allow "children" through age 25. When a child "ages out" they may transition to an individual membership without incurring an initiation fee and must do so within 30 days of their birthday.

Parent Responsibilities:

We ask all parents to take responsibility for following the club's policies for children and teens, and for accompanying or directly supervising children where and when the club requires. Direct supervision means that you are participating side by side with your child in the selected activity or you are watching them from a close distance, and ensuring that your child is performing the activity in a safe, non-disruptive manner.

Parents are also financially responsible for any in-club house charges your children or teens may make (i.e., at the Citrus Fresh Grill & Market, Pool Bar, and R Spa) on your membership account. All membership change requests must be made in writing or by emailing membersupport@clubsports.com.

KIDS WORLD CHILDCARE CENTER

ClubSport is proud to offer a professionally supervised childcare center for use by the children (ages 6 weeks to 12 years) of our members and guests. Kids World offers children a variety of enrichment activities, including arts and crafts, organized games, storytimes, specialty classes, and more.

To provide a handy guide for parents and to ensure a safe and enjoyable experience in Kids World for all children, we have put together the following guidelines for utilizing our childcare services:

- Infants ages 6 weeks to 12 weeks who are on a membership receive one hour and 30 minutes of complimentary child care services per day. This is the maximum length of time infants may stay in Kids World.
- Children ages three months to twelve years who are on a membership receive three complimentary hours of child care services per day.
- After three hours an overtime fee will apply to all memberships.
- Before a child's first visit, we ask parents to complete a Medical Release Form, which will be kept on file in Kids World for use in the event of an emergency.
- Only parents or legal guardians may check children in and out of Kids World.
- Due to allergies, Kids World is a "nut-free zone." Nuts and nut products are not allowed.
- For the health and wellbeing of all children, those who are sick cannot participate in Kids World. If a child becomes sick or shows signs of illness while in Kids World, the parent will be notified to pick up the child.
- Please ensure that diapered children are dry and clean before bringing them to Kids World. We know "poop" happens; parents are welcome to use our diaper changing station or to provide us with extra diapers for their child so we can take care of it. Diapers can be purchased at Kids World for a nominal fee.
- Lunches or snacks may be brought into Kids World, but may only be consumed during

designated times and in the designated snack area. Beverages must be in plastic, non-spill containers.

- Please place all diaper bags, backpacks, or other allowed items in a cubby. Children's belongings should be labeled. No personal items or toys (other than infant/toddler comfort items, such as a blanket, pacifier, etc.) will be allowed into Kids World due to possible loss, theft, breakage, conflict, and health issues.
- Parents must remain on ClubSport premises while their children are in Kids World.
- Children must follow the direction and instructions of the staff. Behavioral problems, such as biting or fighting, or other incidents that require discipline and compromise the safety of other children, may result in the suspension of childcare privileges for a defined period. Appropriate action will be determined on a case-by-case basis.
- If a child is upset or uncomfortable for 15 minutes or longer, the staff will request parental assistance.
- Further specifics on our childcare center policies are available in the [Kids World Parent Handbook](#).

PICKLEBALL

We have three pickleball courts. Court time is complimentary for all club members. ClubSport offers a full menu of pickleball programs and private lessons.

Please follow these policies and court etiquette guidelines when playing on our pickleball courts:

- Proper court sport clothing and non-marking athletic shoes must be worn.
- Food, drinks, and gum are not allowed on courts.
- Proper language, sportsmanship, and court etiquette are expected at all times.
- Only ClubSport teaching professionals may provide instruction on the courts.
- Children ages 11 and under must be accompanied by an adult when playing on the Pickleball courts.
- Unsportsmanlike conduct is prohibited.
- ClubSport reserves the right to schedule programs, leagues, tournaments, camps, etc., or private rentals on the courts.
- Open-play courts may not be available at all times on all days.
- Membership privileges may be suspended or revoked for failure to follow all usage and etiquette policies.

Pickleball Etiquette:

- Good sportsmanship is required. We all love the game but we must remember, it is only a game. Respect all players.
- Begin each game by acknowledging the other players and introducing yourself if you do not know them.
- If the ball is out and it is on your side, call it out. If it is close, the benefit of the doubt should be given to your opponent.
- If you or your partner steps into the kitchen on a volley you must call it. Be very cautious about calling kitchen or serving faults on others. Sometimes our vision can be questionable.
- Players must be open to playing with others at different skill levels. The game improves when we learn from others who are playing at a higher level or when we help others by improving their skills.
- During open play (mixed skill levels), good sportsmanship is required. When joining a group to play, announce if you are a new player as this will be helpful to those you are playing with.
- When courts are full, waiting players should place their paddles at the side of the court they wish to play on. This will let the current players know that you are waiting for the next game. Players who finished their game must exit the court so that the waiting players can play next. If only one or two players are waiting, the winners of the current game may stay on the court to challenge the new opponents.
- If you are crossing an active court to get to a vacant court or leave a court, please wait until their current point is over, then ask them permission to cross the court.
- If a pickleball is inadvertently hit onto your court from another court, retrieve it after your point is over, unless it is a safety issue, and toss it back. Make sure you have made visual or verbal contact before hitting the pickleball back and make sure to give the same ball back. You should also yell, "ball on" to get their attention or to call a ball back on your own court during play.
- Do not exploit someone's physical limitations to win. If you are on the court playing recreational pickleball then you are there to play for fun so make it fun for all involved.
- When a Clubsport Pro is available, they are in charge of facilitating the education, monitoring, and enforcement of such rules. See posted signage for additional policies.
